

Tudor Arms Apartments, Inc.

A Cooperatively Owned Apartment Building

501 W. UNIVERSITY PARKWAY
BALTIMORE, MARYLAND 21210-3251

To whom it may concern:

Rarely is a company held in high esteem by one-hundred percent of its clients! But the Jeppi Janitorial Service holds that distinction here at the Tudor Arms Apartments.

Ginny and Joe Jeppi have provided custodial services in our forty-eight unit complex over the past few years. Their efficient, conscientious efforts have transformed our buildings into settings of ultimate cleanliness and care. More often than not, they anticipate needs and assume the responsibility for attending to them.

Equally important is the professional knowledge and attitude they bring to the work-place. This professionalism generates a feeling of complete confidence on our part and therefor eliminates the multitude of worries which normally are associated with maintaining old buildings.

Not only do we consider ourselves fortunate to have the Jeppis care for our property, but we also find them to be pleasant colleagues with positive attitudes and always in good humor.

Please feel free to call if further information is required.
